

WEST RIDING SC FROSTBITE SERIES 08

As winter approaches and the temperatures start to plummet, it's time to shake out your dry suit, don your thermals and join other fun loving sailors in West Riding SC's Frostbite 08 Series, the first of WRSC's three annual winter series.

The Frostbite 08 Series is open to monohulls with PY 908 - 1386. There are three handicap races each week 2nd November - 21st December, with the first start at 11.00am, and 50% of races started will count towards the series. Entry fee for non-members is £15 per boat for the whole series or £2 per boat per day. There is a free berth if you require, in our secure compounds.

You are invited to warm up in our clubhouse and relax in our bar at the end of the day. Please supply your own food, but you are welcome to use our fabulous galley facilities if you are into gourmet cooking.

Join us after sailing on 21st December for the prize giving and our Christmas Fuddle.

Watch out for details of the post Christmas Northern Brass Monkey Series.
